

100% aluminum truck bed cover
Designed, developed, and manufactured by Norcan Aluminium

Custom Products and Toolboxes

Norcan Aluminium also makes custom toolboxes, truck accessories, and other tailor-made aluminum products.

Manufacturing

Just like our standard products, Norcan Aluminium custom products feature stainless steel hardware for longlasting durability. They're assembled by Canadian Welding Bureau certified welders.

Finishing

Norcan Aluminium custom products and toolboxes are also subject to rigorous quality assurance to ensure the very best finish for a solution that's tailored to your needs.
